Notes:

- All quotes represent the annualized premium for the lowest limits coverage allowable under state law, except as noted.
- N/A - No quote provided for this profile, except as explained below.
- Allstate Jacksonville - N/A for all due to inconsistencies in coverage offered by insurer
- Allstate does not appear to offer a New Jersey minimum limits policy through its website; quotes are for the lowest liability coverage (50/100) available online
- In Jacksonville, GEICO's quotes to both drivers with a recent DUI were for liability coverage amounts substantially higher (100/300) than the state minimum (10/20) offered to all other drivers
